

COUNTY OF YORK

MEMORANDUM

DATE: September 4, 2003 (BOS Mtg. 9/16/03)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: School Capital Project Financing

Portions of the School Capital Budget approved by the Board are to be financed by the issuance of \$4.5 million of general obligation bonds sold through the Virginia Public School Authority (VPSA). The specific project is the renovation at Queens Lake Middle School. The County has advanced funds from its capital funds to finance part of this project until the bond sale in October of 2003. As required, the Board has adopted resolutions stating the intent to reimburse the County for these expenditures from bond proceeds.

During the meeting on August 5, 2003, Resolution R03-127 was adopted to authorize an application to VPSA for participation in the fall bond sale. In addition to authorizing the application, the Board must conduct a public hearing on the proposed bond sale and adopt a resolution authorizing issuance of the bonds. The required public hearing is scheduled for September 16, 2003 and Resolution R03-151 to authorize bond issuance has been prepared for the Board's consideration. The resolution includes Exhibit A, the temporary bond form, and an Assignment form. These forms, to be completed after the bond sale, are included with the resolution for informational purposes and will be used to process the bond transaction until the permanent bond documents are printed and available.

I recommend adoption of Resolution R03-151 to authorize the issuance of \$4.5 million of general obligation bonds for school capital projects.
